Wipeable

Wipeable Standing Clip Slings

Our Wipeable Standing Clip Sling is nonporous and has welded seams. The body, strap, and attachment points are designed to be able to be wiped clean between use, helping to reduce infection risks associated with shared patient handling devices. Avoids the need for laundering. Suitable for use with Sara Flex and Sara 3000.

	Product Name	Product Description	Product Code	Size	Quantity
<input type="radio"/>	Wipeable Standing Clip Sling for Sara 3000 and Sara Flex	Standing clip sling for optimal infection control between patients. Suitable for general sit to stand, transfers, and toileting. Specify Size: S, M, L, XL.	TSS.50XW-L1		

Wipedown Standing Slings

The Wipedown sling is a two piece system with no velcro, helping to reduce infection risks associated with shared patient handling devices. Avoids the need for laundering. Suitable for use with Sara Plus.

<input type="radio"/>	Wipedown Sling for Sara Plus, Encore, Chorus	Wipe down sling for optimal infection control between patients. Suitable for general sit to stand, transfers, and toileting. Specify Size: S, M, L, XL.	KKA5420-X-L1
